APPROVAL OF PRODUCTS

1. M/S Electricfield Company New Secretariat Road, Jammu has approached this HQ for introduction their products i.e Medium Voltage Switchgears (VCB), Servo Voltage Stabilizers, LT Panels, Control Panels, Distribution Transformers and Instrument Transformers of various voltage system.
2. Approval of CE is hereby accorded to use the above products made to users requirement under above brand.
3. Further continuation of the products will be decided thereafter, on the basis of the mandatory feed back/performance report submitted by GEs/CWEs. In case any using the products notices any defect/discrepancy, the same will be reported immediately without waiting for the expiry of the initial period of one year.
4. The approval does not absolve the executive/supervisory staff from the responsibility for using correct quality product. It is only after they are satisfied about the quality and the performance, the product will be used. Mandatory checks about the quality will be carried as laid down and the records of the same maintained.
5. A Copy of firm letter No 883-10/EC/2006 dated 06 Oct 06 alongwith its connected documents are also enclosed. Further specification/details of the products can be obtained from the manufacturer at the address given below:-
